

 <p><b>mPULSE!</b> Power Bank User Manual 10000m Ah MATTE BLACK</p> <p><small>For more info: <a href="http://www.mworksproducts.com">www.mworksproducts.com</a> or <a href="mailto:support@mworksproducts.com">support@mworksproducts.com</a></small></p>		<p>Congratulations on your purchase! We recognize the stress and annoyance of running out of battery power when you are on the go, so we created the power bank, a quick and easy way to stay connected and powered up no matter where you are. Featuring dual USB outputs, you can use power bank to charge your tablet, most smartphones, MP3 players, mini speakers and other digital devices.</p> <p>With the user's own Apple cable or connector, it can also charge iPhone and iPad devices.</p>  <p>The diagram shows the power bank with labels: 'In DC 5V-2A' for the input port, 'TYPE-C In DC 5V-3A' and 'TYPE-C Out DC 5V-3A' for the Type-C ports, and 'Out DC 5V-2.4A' for the USB output port. An 'LED Display' is also indicated on the top edge.</p>
